COUNCILLOR RICHARD COCHRANE

It is with great sorrow that we have to announce the untimely death of our friend and colleague, Councillor Richard Cochrane, who sadly passed away on 25th May 2023. Richard had been bravely battling Motor Neurone Disease for some time but in the end a stubborn chest infection was simply too much for his weakened immune system to resist.

Richard was a truly good, kind and gentle man, who played an important role on the Parish Council, quietly sharing his valuable knowledge and passion for environmental issues and his determination to make the world a better place.

He was such an asset to our team, gladly taking on a range of responsibilities, and it was a privilege to have known him. We will sorely miss his calm presence and voice of reason, as will the whole community and everyone whose lives he has touched.

Our thoughts are with Richard's family and we offer our sincerest condolences to them at this sad time.
